SILENT STAINLESS

2012 Lists

Dear fellow enthusiast,

Thank you for your interest in my specialist lists for the LE Velo, Vogue & Valiant.

The following lists contain parts suitable for the Velocette range of shaft drive twins produced from 1948 until the demise of Veloce in 1971.

I hope you find these lists of help. Enjoy your "little twin".

If you have any queries please don't hesitate to contact me.

Looking forward to hearing from you in the near future,

Robert
